Great Improvements in SEWING MACHINES! Empire Shuttle Machine!

PATENTED FEBRUARY 14, 1860.

Salesroom, 454 Broadway, N. Y.

This Machine is constructed on an entirely new principle of mechanism, possessing many rare and valuable im-provements, having been examined by the most profound experts, and pronounced to be SIMPLICITY and PER-FECTION COMBINED.

The Empire Sewing Machine is Exempt from all these objections.

perfect sewing on every description of material, from Leather to the finest Nancock Muslin, with cotton, linear or silk thread, from the coarsest to the finest number. Having neither CAM nor COG WHEEL, and the least EMPHATICALLY A NOISELESS MACHINE!

It requires FIFTY PER CENT less power to drive i than any other Machine in market. A girl of twelve years of age can work it steadily, without fittigue or injury to health. Its STRENGTH and WONDERFUL SIMPLICITY of construction render it almost impossible to get out of order, and is GUARANTEED by the company to give eq.

We respectfully invite all those who may desire to supply h-mselves with a superior article, to call and examin This Unrivaled Machine.

But in a more especial manner do we selicit the patron-Merchant Tailors, Dress Makers, Coach Mukers, Corset Makers, Hoop Skirt Manufacturers, Gaiter Fitters, Shirt and Bosom Makers, Shoe Binders.

TIGHT STITCH

Sewing Machines.

Weed's Celebrated Patent Sever fall to satisfy those who give them a thorough trial

They have a Straight Needle and Shuttle, which is acknowledged to be the only true principle for a perfect Sewing Machine.

They make the Lock or Shuttle Stitch alike a both sides, and for Economy in Thread, Strengt! Durability, Elasticity and Beauty of Finish, is suprior to any other Stitch used. They are simple in construction, easily understood, readily adjusted and kept in order without taking spart or moving a screw.

The Tension is superior to any other in use. To vonness or knots in the thread do not cause it to on.

They Stitch, Hem, Braid, Fell, Cord, Bind and They do not break the thread, skip stitches, nor form a chain ridge on the underside of the cloth. They will sew over gathers and seams without breaking the thread, or requiring a change of tension. They use silk, cotton and linen threadequally well.

They are the only machine using Wern's PATENT.
THERAD CONTROLLER. There is no other apparatus
for the control of the "Slack Thread" equal to it. Every Machine is Warranted.

Familes and Manufacturers will find the "Wrrn" the most Profitable Machines for use, owing to their always keeping in repair and working order, and their great speed and case of management. Forty per cent more work can be done in a year's ime on the "WEED" than on any other Machine.

WE PUBLICLY CHALLENGE MACHINES OF ANY AND ALL OTHER MANUFACTURE, TO DO AS LARGE A RANGE OF WORK AS CAN EASILY BE DONE ON THESE MACHINES.

Tailors, Seamstresses, Clothiers, Harness Maker &c., in the country, will receive prompt attention. A Descriptive Circular and Samples of Work will be sen on receipt of letter stamp. Collections made on delivery of Machines, if desired, so that the purchaser SEES AGE PAR FOR THEM UNTIL THEY ARE RECEIVED.
